OFFICERS AND DIRECTORS ACCUSED
OF MANY "WRONGFUL AND
IMPROPER" ACTS.

LONG LIST OF DEFENDANTS

NEW YORK, Aug. 1.—In the action brought by Attorney-General Mayer against the officers, directors and members of the Yacht and Pleasure Committees of the Equitable Life Assurance Society, he so vigorously arraigns the defendants, stating that they have "negligently, improperly and imprudently performed such duties and have habitually and continuously done or suffered to be done wrongs, illegal and improper acts, whereby the defendant society has suffered great loss and damage."

The Attorney-General, in his petition, asks:

- First.—That the defendants acted in their official conduct with fraud and disposition of the funds and property committed to their care.
- Second.—That the defendants be compelled to pay to the Equitable Life Society the value of any property they have acquired to themselves, transferred to them, or lost or wasted by reason of their duties.
- Third.—That any defendant now an officer or director in the society, upon proof of misconduct, be removed and that no election be held to fill the vacancy.
- Fourth.—That the surplus of the society, after deducting all expenses, be used to cover all outstanding debts and obligations, be applied to the payment of the present policyholders.
- Fifth.—That the plaintiff have such relief as may be just, equitable and profitable.

Source Loans to Agents.
The complaint charges that the defendants, "wantonly and recklessly and without any right or authority," permitted the society to make loans to its agents and extensive loans to agents and some of the money used for such loans.

Referring to the purchase of the capital stock of the Missouri Real Estate Company, for which the Equitable paid \$200,000, it is charged that at the time of the purchase the company had a total of \$200,000, of which \$140,000 was paid for stock, and the balance was loaned to the company by the society.

Salaries Excessive.
A schedule of the salaries paid during the last five years to the principal officers of the society is appended to the complaint, which declares such salaries have been largely in excess of the value of the services of the persons named, and that the payment of such salaries resulted in substantial loss to the society.

Never before has Wintthrop been the scene of a circus, and the scene which will be witnessed on August 1, is a most unusual one, not only because of the unusual collection of freaks and curiosities, but also because of the unusual collection of freaks and curiosities.
